## PRESS RELEASE

### PUBLICATION OF THE EURO MONEY MARKET STUDY 2010

Today the European Central Bank (ECB) is publishing a biennial report entitled "Euro Money Market Study 2010" which focuses on money market developments during the second quarter of 2010 and compares them to the second quarter of previous years.

The Euro Money Market Study 2010 relies mainly on the results of the Euro Money Market Survey 2010, which was published on 23 September 2010, and analyses these developments more in depth. The Euro Money Market Survey 2010 has been conducted since 1999 on an annual basis by the Market Operations Committee, composed by experts from the European System of Central Banks (ESCB), i.e. the ECB and the national central banks of the European Union.

The study can be downloaded from the ECB's website.
