PRESS RELEASE

EURO AREA INVESTMENT FUND STATISTICS JANUARY 2010

In January 2010, the amount outstanding of shares/units issued by euro area investment funds other than money market funds was higher than in December 2009. This increase was due to net issues of shares/units, which was partly offset by decreases in share/unit prices.

The **amount outstanding of shares/units issued by euro area investment funds other than money market funds increased to EUR 4,981 billion in January 2010**, from EUR 4,959 billion in December 2009¹. Over the same period, the amount outstanding of shares/units issued by euro area money market funds increased to EUR 1,215 billion from EUR 1,202 billion.

The **transactions in shares/units issued by euro area investment funds other than money market funds amounted to EUR 55 billion in January 2010**, while the transactions in shares/units issued by money market funds amounted to EUR 5 billion.

The annual growth rate of shares/units issued by euro area investment funds other than money market funds, calculated on the basis of transactions, was 9.5% in January 2010. For the same period, the annual growth rate of shares/units issued by euro area money market funds was -5.9%.
