STATEMENT BY THE EUROPEAN COMMISSION, ECB AND IMF ON THE REVIEW MISSION TO GREECE

Staff teams of the European Commission (EC), the European Central Bank (ECB), and the International Monetary Fund (IMF) have concluded their visit to Greece following productive discussions with the authorities on the set of policies that could serve as a basis for the completion of the ongoing review of the country's economic program.

Good progress has been made, but a few issues remain outstanding. The discussions will continue from respective headquarters. The EC/ECB/IMF staff teams expect to return to Athens in early December.
