DECISIONS TAKEN BY THE GOVERNING COUNCIL OF THE ECB (IN ADDITION TO DECISIONS SETTING INTEREST RATES)

May 2012

Economic, monetary and financial situation

Central bank compliance with prohibitions on monetary financing and privileged access

On 3 May 2012, in accordance with the Treaty on the Functioning of the European Union, which assigns the ECB the task of monitoring EU central banks' compliance with the prohibitions specified in Articles 123 and 124 thereof and the related Regulations, the Governing Council approved the report covering the year 2011. Further information on this matter was also provided in a dedicated section of the ECB's Annual Report 2011, which was published on 25 April 2012.

Market Operations

Loan-level data templates for new classes of asset-backed securities

In line with the Governing Council's decision of December 2010 (see Decisions taken by the Governing Council of the ECB – December 2010) to gradually phase in loan-by-loan reporting requirements for the eligibility of several classes of asset-backed securities in the Eurosystem collateral framework, on 10 May 2012 the Governing Council approved the templates for consumer finance ABS, leasing ABS and auto loan ABSs. This completes the Governing Council decision taken on 29 April 2011 regarding the approval of the templates for commercial mortgage-backed securities and small and medium-sized enterprise transactions. All these templates are available on the ECB's website.

Financial stability and supervision

Financial Stability Review – June 2012

On 15 May 2012 the Governing Council authorised the publication of the "Financial Stability Review – June 2012". It provides a comprehensive assessment of the capacity of the euro area financial system to withstand disruption and examines the main sources of risk to, and the vulnerabilities of, that system. The Review will be published on the ECB's website.

Eurosystem contribution to the European Commission public consultation on bail-in

On 15 May 2012 the Governing Council approved a Eurosystem contribution to the European Commission public consultation on the debt write-down tool (bail-in), which the Commission launched with a view to finalising the text of its forthcoming legislative proposal on bank recovery and resolution. The Eurosystem contribution will be published shortly on the ECB's website.
