DECISIONS TAKEN BY THE GOVERNING COUNCIL OF THE ECB (IN ADDITION TO DECISIONS SETTING INTEREST RATES)

December 2016

Market operations

Annual review of acceptable non-regulated markets, issuers classified as multilateral development banks or international organisations, and issuers classified as agencies in haircut category II

On 14 October 2016 the Governing Council reviewed the list of acceptable non-regulated markets for assets eligible as collateral for Eurosystem monetary policy operations; the list of issuers classified as multilateral development banks and international organisations; and the list of issuers classified as agencies in haircut category II. The first two lists remain unchanged, while Cassa Depositi e Prestiti will be included in the list of accepted agencies in haircut category II. The lists are published on the ECB's website and will be updated accordingly on 1 January 2017.

Issues related to the expanded asset purchase programme

On 8 December 2016 the Governing Council decided that it would continue its purchases under the expanded asset purchase programme (APP) at a monthly pace of €80 billion until the end of March 2017 and that from April 2017 the net asset purchases were intended to continue at a monthly pace of €60 billion until the end of December 2017, or beyond, if necessary, and in any case until the Governing Council saw a sustained adjustment in the path of inflation consistent with its inflation aim. The Governing Council also approved changes to some of the parameters of the APP to ensure its smooth implementation. Finally, the Governing Council decided to accept cash as collateral for securities lending facilities under the public sector purchase programme, with the aim of enhancing the effectiveness of the securities lending framework. All of these decisions are explained in greater detail in three related press releases available on the ECB's website.

Implementation of the asset-backed securities purchase programme

On 14 December 2016 the Governing Council decided that the asset-backed securities purchase programme (ABSPP) will be fully implemented by the Eurosystem national central

banks, instead of relying on the support of external asset managers, from 1 April 2017. More detailed information can be found in a related press release available on the ECB's website.
