Note: tables 7.14 and 7.15 on peseta banknotes and coins in circulation are not published in the Statistical Bulletin since January 2016.

The elimination of the peseta-related tables is because they are obsolete since there has been no change since February 2002. In any event, it should be noted that in tables 7.16 and 7.17 there is a memorandum item of the amount of peseta banknotes and coins which have still not been returned to the Banco de España.
