SOURCES: Mercantile Registries and Banco de España.

(a) Recommendation 2003/361/EC excludes from the SME category any firms controlled or owned by public bodies and those forming part of corporate groups (see methodological note). The "autonomy" criterion has been applied since 2008 based on firms' declarations as to whether they form part of a group when they submit their financial statements to mercantile registers. This information is not available in 2007 and previous data.
