### GENERAL CHARACTERISTICS:

The name of the reporting entity and the country of the reporting entity of the top are automatically filled when they are filled in General characteristics

<u>Back</u>

INCOME STATEMENT BY FUNCTION AND BY NATURE:		
Revenue: it comprises turnover, royalty income, property rental income and miscellaneous other	<u>Back</u>	<u>Back</u>
revenue.	(function)	(nature)
Other operating income: it comprises interest income [financial activities], dividend income [financial		
activities], income from government grants, gain on derecognition of non-financial assets (losses		
should be included in operating expenses), changes (increases and decreases) in inventories of		
finished goods and work in progress, impairment reversals of non-financial assets, reversals to	<u>Back</u>	<u>Back</u>
provisions and remaining operating income.	(function)	(nature)
Raw materials and consumables used: it comprises purchases of raw materials and consumables,		
changes in inventores of raw materials and consumables, purchases of merchandises, and changes	<u>Back</u>	<u>Back</u>
in inventories of merchandises.	(function)	(nature)
<u>Depreciation and amortisation:</u> depreciation and amortisation expense for property, plant and		
equipment, investment property, intangible assets and biological assets, and other losses and	<u>Back</u>	<u>Back</u>
reversals recognised in income statement.	(function)	(nature)
Impairment losses, total, net: impairment losses (not reversals which will be included in other		
operating income) from property, plant and equipment, from intangible assets (except goodwill),	<u>Back</u>	<u>Back</u>
from other assets valued at cost, from inventories and from bad and doubtful commercial debts.	(function)	(nature)
Gain (loss) on changes in fair value of non-current assets: fair value gains and losses arising mainly	<u>Back</u>	<u>Back</u>
from investment property and biological assets should be accounted for in this line.	(function)	(nature)
Finance costs: it comprises interest expense, amortisation of discounts or premiums related to		
borrowings, amortisation of ancillary costs relating to borrowing arrangements, fee expenses from		
financial liabilities, losses on redemption and extinguishment of debt, losses from financial liabilities	<u>Back</u>	<u>Back</u>
extinguished with equity instruments and other finance costs.	(function)	(nature)
Finance income: it comprises interest income, dividends from financial assets and fee incomes from		
financial assets. Impairment losses and reversals and other gains and losses from financial assets	Back	Back
are included in gains (losses) arising from financial instruments (point 5.3).	(function)	(nature)
Gain (losses) arising from financial instruments: it comprises fair value gains and losses from		
financial instruments, gain or loss on reclassificcation of financial assets at fair value, impairment	<u>Back</u>	<u>Back</u>
losses and reversals from financial instruments and other gains or losses from financial instruments.	(function)	(nature)
Share of profit (loss) from equity-accounted investments: only those arising from associates and	Back	Back
joint-ventures shall be included here.	(function)	(nature)

Remaining property, plant and equipment: it comprises motor vehicles, fixtures and fittings, leasehold improvements, IT equipment, exploration and evaluation assets, and other property, plant and equipment.  Investment property: defined by IAS 40 as "property (land or a building-or a part of a building-or both) held (by the owner or by the lessee under a finance lease) to earn rentals or for capital appreciation or both, rather than for use in the production or supply of goods or services or for administrative purposes, or for sale in the ordinary course of business".  Remaining intangible assets: it comprises exploration and evaluation assets, assets arising from service concession arrangements, and other identifiable intangible assets.  Back  Biological assets, total: defined by IAS 41 as "living animal or plant". Agricultural produce (harvested product of the biological assets) shall be accounted for here as well.  Investments in related parties: investments in subsidiaries, associates and joint ventures at cost, as well as equity-method accounted investments shall be included here.
