

INTERNAL AUDIT REPORT
REPORT PROVIDED FOR IN THE CONSOLIDATED TEXT OF THE
SECURITIES MARKET LAW APPROVED BY ROYAL LEGISLATIVE
DECREE 4/2015 OF 23 OCTOBER 2015
2020 REPORT

1. Introduction

The tenth additional provision of the consolidated text of the Securities Market Law (LMV, by its Spanish initials) approved by Royal Legislative Decree 4/2015 of 23 October 2015 establishes that the Banco de España shall prepare an annual report on its supervisory function, describing the supervisory actions undertaken and procedures followed, permitting information to be gained on the effectiveness and efficiency of these procedures and actions. It also provides that such annual report shall include a report by the internal control body on the conformity of the decisions taken by the governing bodies of the Banco de España with the procedural regulations applicable in each case. This annual report shall be approved by the Governing Council of the Banco de España and sent to the Spanish Parliament and Government.

The Banco de España's 2021 Annual Internal Audit Plan includes the drafting of the report provided for in the LMV, so that it may be included in the Banco de España's Annual Report on its supervisory function, referred to above.

2. Purpose, scope and methodology of the report

This report falls within the bounds of the legal mandate contained in the tenth additional provision of the LMV, which, as indicated above, defines the scope of the report, by reference to three basic elements:

1. The supervisory function of the Banco de España.
2. The decisions taken by the governing bodies in exercise of the supervisory function.
3. The conformity of the foregoing decisions with the procedural regulations applicable.

As regards the reporting period, the report refers to the decisions taken by the Executive Commission in 2020, and the decisions adopted by delegation and notified to the Executive Commission in 2020.

The subject matter of the report relates to the decisions taken by the Banco de España's governing bodies within the spheres of competence of the Directorate General Banking Supervision; the Directorate General Financial Stability, Regulation and Resolution; the Directorate General Operations, Markets and Payment Systems; and the General Secretariat.

Regarding applicable regulations, the supervisory powers and procedures set out in Law 13/1994 of 1 June 1994 on the Autonomy of the Banco de España and in the Internal Rules of the Banco de España were taken into account, together with those established by the Single Supervisory Mechanism regulations (primarily Council Regulation (EU) No 1024/2013 of 15 October 2013 and Regulation (EU) No 468/2014 of the European Central Bank of 16 April 2014). In addition, the Executive Commission of the Banco de España has established the procedural rules applicable to proposals on matters within the competence of the various Directorates General.

On 2 November 2012, rules were laid down on the reporting of matters to the Executive Commission by all the Banco de España's Directorates General. These rules complement those specific to the aforementioned Directorates General.

Likewise, by means of a Resolution of 10 December 2019, the Executive Commission approved the regime governing the delegation of powers, published in the Official

State Gazette No. 311 of 27 December 2019,¹ and which provides for the delegation of signature and callback of delegated powers.

To review the decisions adopted by the Executive Commission and the decisions adopted by delegation, random sampling was performed by Directorate General.²

The work was conducted in accordance with the Internal Audit Manual, which includes the International Standards for the Professional Practice of Internal Auditing, approved by the Institute of Internal Auditors, including those relating to the Code of Ethics.

3. Opinion

In our opinion, the decisions taken by the governing bodies of the Banco de España in 2020 in the exercise of its supervisory function were taken by bodies with sufficient own or delegated powers in accordance with the Internal Rules of the Banco de España and with the provisions laid down by its Executive Commission, and conformed, in all material respects, with the procedural rules applicable in each case.
