

August 2026

Tokenised wholesale central bank money programme

Evolving list of DLT operators

The following distributed ledger technology (DLT) operators are currently registered for the initial launch of Pontes in September 2026. The list will be updated as additional DLT operators complete the registration process.

- **Clearstream (DE)**
- **SWIAT (DE)**
- **Cashlink (DE)**
- **Axiology (LT)**

Interested in joining Pontes?

Take a look at our [Pontes webpage](#) and contact your national central bank (NCB).
