8. “La evolución reciente del turismo no residente en España” (2014), *Economic Bulletin* Banco de España, April, pp. 67-74 (with M. Jesús González).

SELECTED WORKING PAPERS (some in Spanish)

1. A short-term forecasting model for the Spanish economy: GDP and its demand components (2018), Occasional Paper no. 1801 (with A. Arencibia, M. de Luis and G. Pérez-Quirós).
2. Business cycle patterns in European regions (2018), MPRA Paper 83964, University Library of Munich, Germany (with M. D. Gadea and E. Bandres).
3. Clustering regional business cycles (2017), Bank of Spain, Working Paper no.1744 (with M. D. Gadea and E. Bandres).
4. A menu on output gap estimation methods (2017), Bank of Spain, Working Paper no.1720 (with L.J. Álvarez).
5. Dissecting US recoveries (2017), CEPR Discussion Paper no. 11997, April (with M. D. Gadea and G. Pérez-Quirós).
6. Dissecting US recoveries (2017), Bank of Spain, Working Paper no.1708 (with M. D. Gadea and G. Pérez-Quirós).
7. The Evolution of Regional Economic Interlinkages in Europe (2017), Bank of Spain, Working Paper no.1705 (with M. D. Gadea and D. Leiva-León).
8. Regional Business Cycles Accross Europe (2017), Bank of Spain, Occasional Paper no. 1702 (with E. Bandrés and M. D. Gadea).
9. Oil Price and Economic Growth: A Long Story? (2016), Bank of Spain, Working Paper no. 1625 (with M. D. Gadea and A. Montañés).
10. Regional Business Cycles Accross Europe (2016), Funcas Working Paper no. 785 (with E. Bandrés and M. D. Gadea).
11. The Great Moderation in historical perspective. Is it that Great? (2015), CEPR Discussion Paper no. 10825, September (with M. D. Gadea and G. Pérez-Quirós).
12. The Great Moderation in historical perspective. Is it that Great? (2015), Bank of Spain, Working Paper no. 1527 (with M. D. Gadea and G. Pérez-Quirós).
13. The Two Greatest. Great Recession vs. Great Moderation (2014), CEPR Discussion Paper no. 10092, August (with M. D. Gadea and G. Pérez-Quirós).
14. The Two Greatest. Great Recession vs. Great Moderation (2014), Bank of Spain, Working Paper no. 1423 (with M. D. Gadea and G. Pérez-Quirós).
15. Measuring urban agglomeration. A refoundation of the mean city-population size index (2014), Bank of Spain, Working Paper no. 1430 (with. A. Lemelin and F. Rubiera).
16. A territorial index of the potential agglomeration economies from urbanization (2012), Inèdits INRS, 3, Canada (with A. Lemelin and F. Rubiera).
17. Cycles inside cycles. Spanish regional aggregation (2011), WIFO Working Papers, 390/2011, Österreichisches Institut für wirtschaftsforschung (with M. D. Gadea and A. Montañés).
18. The impact of oil shocks on the Spanish economy (2010), Documento de trabajo de FUNCAS, 538, Funcas (with M. D. Gadea and A. Montañés).

19. Economic growth, inflation and oil shocks. Are the 1970s coming back? (2010), Discussion Paper on Applied Economics DP/AE/10/01, Universidad de Oviedo (with M. D. Gadea and A. Montañés).
20. How many regional business cycles are there in Spain? A MSVAR approach (2006), Working paper 27/2006, Fundear (with M. D. Gadea and A. Montañés).
21. La demanda de servicios empresariales avanzados en la economía aragonesa (2005), Documento de trabajo 14/2005, Fundear (with E. Pardos and G. Horna).
22. Los servicios a empresas en la estructura productiva aragonesa (2003), Documento de trabajo 4/2003, Fundear (with E. Pardos).

WORK IN PROGRESS

1. A new approach to dating the reference cycle (with M. Camacho and M. D. Gadea).
2. The decline in volatility in the US economy. A historical perspective (with M. D. Gadea and G. Pérez-Quirós) (R&R).
3. Inflation Interdependence in advanced economies (with L. J. Álvarez and M. D. Gadea).
4. Low Inflation in advanced economies (with L. J. Álvarez and M. D. Gadea).
5. Business Cycles Patterns in European Regions (with M. D. Gadea and E. Bandrés) (submitted).
6. What drives Regional Business Cycles in Europe? (with M. D. Gadea and E. Bandrés).
7. Effects of external imbalances on GDP recovery patterns (with M. Camarero and C. Tamarit) (submitted).
8. The shape of the business cycle: recovery patterns (with M. D. Gadea and G. Pérez-Quirós).

CONFERENCE PRESENTATIONS AND SEMINARS

- 2018* VIIIth Workshop in Time Series Econometrics (Zaragoza) // 16th Infiniti Conference on International Finance (Poznan) // 2nd Conference on Forecasting at Central Banks (London).
- 2017* 25th Annual Symposium of the Society for Nonlinear Dynamics and Econometrics (Paris) // 4th International Association of Applied Econometrics Annual Conference (Sapporo) // CFE-ERCIM Congress (11st International Conference on Computational and Financial Econometrics) (London).
- 2016* VIth Workshop in Time Series Econometrics (Zaragoza) // XIX Applied Economics Meeting (Sevilla) // 14th Infiniti Conference on International Finance (Dublin) // 56th ERSA Congress (Vienna) // European Commission V Regional Modelling Workshop (Ispra) // CFE-ERCIM Congress (10th International Conference on Computational and Financial Econometrics) (Sevilla) // U. Carlos III (Madrid).
- 2015* 23rd Annual Symposium of the Society for Nonlinear Dynamics and Econometrics (Oslo) // 35th International Symposium on Forecasting (Riverside) // 2nd International Association of Applied Econometrics Annual Conference (Thessaloniki) // 11th World Congress of the Econometric Society (Montreal) // 30th Annual Congress of the European Economic Association (Mannheim) // European Winter Meeting of the Econometric Society (Milan) // International Conference “Large-scale Crises” (Ancona).

- 2014 17th World Congress of the International Economic Association (Dead Sea, Jordan) // 54th ERSA Congress (Saint Petersburg) // CFE-ERCIM Congress (8th Conference on Computational and Financial Econometrics) (Pisa).
- 2013 IIIrd Workshop in Time Series Econometrics (Zaragoza) // EEA-ESEM Congress (67th European Meeting of the Econometric Society) (Gothemburg) // XXXVIII Simposio de la Asociación Española de Economía (Santander) // CFE-ERCIM Congress (7th Conference on Computational and Financial Econometrics) (London).
- 2011 XXXVI Simposio de la Asociación Española de Economía (Málaga) // 58th Annual North American Meeting of the RSAI (Miami) // 51st ERSA Congress (Barcelona) // XIV Encuentro de Economía Aplicada (Huelva) // Interdisciplinary workshop on "Econometric and statistical modelling of multivariate time series" (Louvain-la-Neuve) // Workshop on "Advances in Business Cycles and Economic Growth Analysis" (Rimini) // Universidad de La Rioja.
- 2010 XXXV Simposio de la Asociación Española de Economía (Madrid) // 50th ERSA Congress (Jönköping) // XIII Encuentro de Economía Aplicada (Sevilla) // 14th Annual International Conference on "Macroeconomic analysis and International Finance" (Crete) // Universidad de Oviedo.
- 2009 XXXIV Simposio de la Asociación Española de Economía (Valencia).
- 2008 XVIIIth International RESER Conference (Stuttgart) // 47th ERSA Congress (Paris) // III Simposio pluridisciplinario sobre regiones de la península Ibérica, Zentrum für Wissenschaftliche Kommunikation mit Ibero-Amerika (CCC Tübingen) (Weingarten).
- 2007 Universidad Internacional Menéndez Pelayo // X Encuentro de Economía Aplicada (Logroño).
- 2006 XXXI Simposio de Análisis Económico (Oviedo) // Regional Studies Association Annual Conference (London) // XVIth International RESER Conference. Published in Proceedings, Vol. I, pp. 463-483 (Lisbon) // Workshop on "New developments in macroeconomic modelling and growth dynamics" (Faro) // Workshop on "Non linear dynamical methods and time series analysis" (Udine).
- 2005 XVth International RESER Conference. Published in Proceedings, Vol. 1, pp. 315-335 (Granada) // Universidad Internacional Menéndez Pelayo // VIII Encuentro de Economía Aplicada (Murcia) // Open Conference Knowledge and Regional Economic Development (Barcelona).
- 2004 VI Jornadas de Política Económica (Barcelona) // VII Encuentro de Economía Aplicada (Vigo).

VISITING POSITION

Visiting student at the London School of Economics and Political Sciences. 2008/2009

LANGUAGES

- SPANISH: native speaker
- ENGLISH: Advanced (C2 Level).

REFEREEING

Applied Economics Letters, Applied Geography, Economies, Empirical Economics, Energy Economics, Energy Journal, SERIEs, Revista de Economía Aplicada, Investigaciones Regionales, Revista Sistema, Spatial Economic Analysis.

EDITOR of the Bank of Spain Working Paper Series 2014-...

FURTHER MERITS

- Spanish representative at the “Working Group on Econometric Modeling”, European Central Bank (02/2018).
- Member of the “Competitiveness Research Network (Compnet)”, European Central Bank (03/2012 – 12/2013).
- Accreditation for “Profesor Contratado Doctor” through Spanish Science and Innovation Ministry (Agencia Nacional de Evaluación de la Calidad y Acreditación) (2010).
